1942 - 1943
SEASON

Our Material

Is the choice of Nature's decorative material, gathered in the wilds and prepared and cured by experienced men.

Many years of experience and our method of sorting, grading and trimming enables us to offer the finest Natural Decorative Material obtainable, and because we cure it at the proper stage, our materials will not shed.

We endeavor to prepare and furnish the very finest of this material, cured in its most decorative form. It is all packed in uniform boxes, designed to withstand transportation from coast to coast. With proper care it will last indefinitely.

Add to your profits this year by displaying Nature at her best in your windows.

SHIPPING INSTRUCTIONS—Please give full shipping instructions Express or Freight. Parcel Post shipments will be made only when postage accompanies order. Shipments will be made Express collect unless otherwise directed.

TERMS—All orders C.O.D. or Cash with order.

ACORN SPRAYS
(Natural Color Brown)

EUCALYPTUS, ACORN AND BAYBERRY SPRAYS

Make excellent Autumn and Winter arrangements and Holiday decorations. They will keep indefinitely if kept cool and dry.

For your convenience for display purposes and at no added cost to you we pack our Eucalyptus, Acorn and Bayberry with bright green tissue making a very pleasing contrast for the acorn and eucalyptus clusters, and the pure white bayberries stand out in sharp outline against the green.

We guarantee 100% perfect sprays and your entire satisfaction. The breakage caused by the old method of handling in bunches has been completely eliminated by our method of packing.
